### **STATEMENT ON PROPOSED PUBLIC PROCUREMENT CAPACITY BUILDING LEVY**

Granted the right to raise funds is key to sustainability of key government institutions, we as the Association totally oppose this proposed levy.

PPRA as mandated should leave capacity building to relevant NITA accredited as well as Ministry of Education registered institutions.

We strongly believe that Governments should not look for indirect modes to tax businesses.

We shall be providing more details as time goes on

**Peter Muriuki**  
**National Chairperson**

**PS: Our Secretary General can be reached on [sg@supplierskenya.co.ke](mailto:sg@supplierskenya.co.ke)**
